<p>1. Attached is an Activities Report by the FPA Team, concerning their visit to Project [REDACTED], 5-29 February 1960.</p> <p>2. Project [REDACTED] wishes to express its appreciation for the fine job accomplished by the FPA Team. The Team was quick to grasp the multifarious problems incurred in the receipt, issue, control and use of the highly technical equipment utilized by this Project. They promptly adapted themselves to the local situation and were able to accomplish their work with minimum assistance from Project personnel. Generally, their quick understanding of local problems, appreciation of the staffing limitations and their ability to expeditiously and effectively complete this onerous task in a minimum of time was not only appreciated, but is considered highly commendable. Considering all factors, we believe their approach to the problem and the methods employed were the most logical attainable. Furthermore, as Headquarters appreciates, the limitations on Project support personnel precluded the implementation of FPA without expert assistance. The Team provided this service and, again, the Project wishes to extend its thanks for a difficult job well-done!</p> <p>3. It is requested that a copy of this commendation be placed in the personnel files of [REDACTED] 25X1A2e</p> <p style="text-align: right;">25X1A2e</p> <p>Orig: 25X1A2e [REDACTED]</p> <p>Attachment: FPA Report</p> <p>28 March 1960</p> <p>Distributions:</p> <ul style="list-style-type: none"> <li>2 - Chief, NE w/att</li> <li>1 - Chief, [REDACTED] w/att</li> <li>1 - Chief, [REDACTED] w/att</li> <li>1 - Chief, [REDACTED] w/att</li> <li>1 - Chief, Comptroller w/att</li> <li>1 - COS, [REDACTED] w/att</li> </ul> <p style="text-align: right;">25X1A6a</p>
